PROFILE

Growth CMO for Web3 infra/exchanges. Led \$5M+ annual budgets, scaled multi-region GTM across CIS/EU/SEA/MENA, built communities and partner ecosystems, drove listings & liquidity, and aligned product narrative with privacy/DeFi roadmaps. Known for measurable acquisition, retention, and brand trust in regulated markets.

EXPERIENCE

NULINK, SINGAPORE CMO

SEPTEMBER 2023 - PRESENT

At NuLink, I lead the global marketing efforts for a cutting-edge Web3 platform focused on data privacy solutions for decentralized applications. My key responsibilities include developing and executing marketing strategies aimed at positioning NuLink as a leader in the blockchain-based privacy space

Leading global marketing, growth, and BD strategy for a Web3 privacy infrastructure platform leveraging ZKP, MPC, and advanced encryption technologies.

Built a strategic BD pipeline with 25+ partnerships (incl. Helios and key Web3 ecosystems), expanding adoption and cross-chain integrations.

Designed and executed a multi-market GTM strategy across APAC, MENA, and EU, achieving +40% developer adoption growth QoQ.

Oversaw a \$2.5M marketing budget, driving +120% ROI on targeted KOL, community, and product-driven campaigns.

Orchestrated Tier-1 exchange listings and liquidity campaigns, resulting in \$8M+ inflows and boosting token visibility.

METaverse Internet - FZE, Dubai

CMO

March 2022 - July 2023

FreeCity is a Web 3 pan-entertainment social metaverse project with functions including live streaming, live chat, Virtual Avatar, entertaining mini-games, costume changing, etc.

- Led the 0-1 project planning and design phase, successfully launching innovative solutions that achieved a 35% increase in customer engagement and a 20% growth in market share within the first month post-launch
- Spearheaded a dynamic marketing team, achieving a 40% increase in brand awareness through innovative multi-channel strategies.
- H5 World Cup activity design and cooperation.
- Crafted and executed comprehensive marketing strategies, driving a 25% growth in market share within a highly competitive sector.

Cryptology CEX, Moscow (consulting)

CMO

September 2021- May 2022

Directed global marketing strategy and brand positioning for a Tier-1 centralized exchange.

Managed a \$5M annual budget, exceeding performance KPIs by +15% across acquisition, retention, and revenue streams.

Designed and executed SEO-driven growth strategies, achieving Top-3 search rankings for strategic trading keywords and +40% organic traffic growth YoY.

Expanded trading ecosystems via partnerships with liquidity providers, influencers, and institutional clients, increasing overall TVL and trading volumes.

Huobi Global

Marketing & Operating director

August 2021- May 2022

Led CIS and EU market expansion, growing community engagement +30% and strengthening Huobi's competitive positioning.

Managed VC relations and institutional onboarding, securing new investors and liquidity partners.

Executed multi-channel KOL-driven campaigns, boosting monthly active users by +22% within three months.

Organized large-scale activations including Blockchain Life Summit sponsorships, generating 4M+ cross-channel impressions.

BiKi Exchange, Singapore

Marketing director

March 2020– August 2021

Owned regional growth strategy for CIS markets, driving +30% engagement growth and onboarding 50K+ traders within six months.

Built and optimized a referral-driven acquisition model, improving deposit conversion rates by +18%.

Led ambassador and influencer campaigns, delivering high ROI via content scaling and performance-based partnerships.

MEXC Exchange, Shanghai

CMO

March 2019– April 2021

Directed multi-regional marketing frameworks across EU, CIS, and SEA, achieving +50% YoY growth in active traders.

Oversaw token listing GTM strategies, including launchpad collaborations and ecosystem partnerships to maximize user participation and liquidity inflows.

Built compliance-ready campaigns supporting global expansion and fiat on-ramps, enabling efficient market entry into 15+ new regions.

Strengthened ecosystem partnerships with blockchain projects, trading communities, and payment providers to accelerate adoption.
